

LADUE FIRE DEPARTMENT

Office of the Fire Chief

9213 Clayton Road
St. Louis, MO 63124
314-993-0181

To: Mayor Spewak and Council Members	Date: May 16, 2022
From: Fire Chief Steve Lynn <i>SL</i>	Re: Council Agenda

Stacey,

I have the following item to present during the council meeting.

1. Review Monthly Incident Report, Activity Report, Fire Marshal Report.
2. Request approval for Resolution 2202-16 - A resolution authorizing the Mayor to execute a confidentiality agreement with Missouri American Water Company.

Respectfully submitted,

Fire Chief Steven E. Lynn

LADUE FIRE DEPARTMENT

Office of the Fire Chief

9213 Clayton Road
St. Louis, MO 63124
314-993-0181

To: Honorable Mayor Spewak and Council Members	Date: 5/11/2022
From: Fire Chief Steve Lynn SL	Re: Fire Department Activity Summary

Operations

Attached you will find data pertaining to calls responded to in the month of April 2022. Data shows that the Ladue Fire Department responded to 64 EMS calls and 70 Fire related calls for a total of 134. Additionally, you will find a summary report of the Fire Marshal. This report reflects inspections performed in the field as well as plan reviews conducted at the fire house. However, this report does not reflect code review time nor contractor communications.

For the month of April crews completed a total of 425 hours of fire training and numerous hours of EMS training. Fire training focused on live burn skills in anticipation of performing high risk live burn evolution in May.

Another metric the Fire Department monitors is overlapping calls. In April, there were 24 events that overlapped initiating the use of mutual aid or 18% of calls were overlapping.

Crews are beginning their yearly commercial building company inspections in which crews inspect compliance with the adopted IFC and general fire hazards. Every attempt is made to communicate with the business owner prior to inspection.

Public Relations

Child Safety Seat Installation resumed yielding three installations. It is expected that this will increase to an average of six to ten installations per month. Additionally, crews provided standby coverage for a competitive bike race that was held at Tilles Park on Saturday April 9th. Crews provided coverage from 9am till 3pm.

Prairie Burn Standby - On April 15th, crews monitored a controlled burn for #8 Overbrook Drive.

On April 7th, B-shift participated in a distracted driver program in conjunction with West County EMS and Fire. This demonstration showed the efforts of first responders in

removing trapped individuals after a two-car accident. After victims were extricated, they were placed in the ambulance for a short period of time then transferred to Arch Medical Helicopter. Additionally, police assisted in demonstrating a field sobriety test and arrest procedures. This program was impactful for approximately 200 high school juniors. The feedback was excellent for this program. It is the hope of the Fire Department to deliver this presentation to all three high schools.

Administration

In conjunction with daily operational needs, Administration continues to work on process improvement opportunities. The two main areas of focus are; why is the ambulance stationed at house #1 and would a quint apparatus benefit the city at house #2. The administration continues to evaluate alternative options to deliver better service in a fiscally responsible manner.

The ISO review has been set for August 2nd and preparations are well on their way. This complex evaluation of the fire departments operations, water supply, and communications requires significant prep with data collection and analysis. This process will continue until the review is completed.

Although limited in everything we do, I hope you find this summary useful in hopes of providing this each month. Please let me know if you have any questions or concerns.

Ladue Fire Department

St. Louis, MO

Plan - F - Plan Review - Failed

39LAD08820-201	Clayton Wellness	8820 Ladue RD #201	04/18/2022	Johnson, Jeffrey	Plan review for a new tenant finish failed. Show 2021 building codes, and occupant load factor for use group B (business) has changed. Any sprinkler and fire alarm modifications to be under separate review and permit.
19M530413	Clerbrook Ln 12	12 Clerbrook LN	04/25/2022	Johnson, Jeffrey	Plan review for addition failed. Show SD inside master suite and SD/CO outside master suite.
18L510239	Dielman Rd 150	150 Dielman RD	04/22/2022	Johnson, Jeffrey	See Roger's comments. I'm a little unclear if this is within a bedroom or if this was a hall closet previously. If bedroom footprint is changing, show SD inside/outside bedroom.
18M630149	Fielding Rd 5	5 Fielding RD	04/22/2022	Johnson, Jeffrey	Plan review for basement finish failed. Show 2021 building codes and show egress window details.
21M320682	Holliston Ct 9954	9954 Holliston CT	04/01/2022	Johnson, Jeffrey	Plan review for addition failed. Show SD/CO in lower level, show SD in workout room (per our amended code), show 5/8 x drywall separating garage walls and ceilings from living space/attics, show additional details on egress window: sill height and if ladder is required.

Report pulls Occupancy Actions entered on the "Action" tab inside the Occupancy Detail screen.

39WAR00101	MICDS (Master)	101 N Watson RD N	04/18/2022	Johnson, Jeffrey	Plan review for tent failed. How far from the building will the tent be located (required to be 12-feet from buildings and 20-feet from parked vehicles). Food trucks required to have 10-feet of separation between food trucks. Will the sides of the tent be open or closed? With 250 guests it will be required to have three exits (with illuminated signage) if the sides are closed.
19M610175	Picardy Ln 43	43 Picardy LN	04/04/2022	Johnson, Jeffrey	Plan review for new residence failed. Show 2021 building codes and show SD in lower level exercise room.
18L310028	St Andrews Dr 8	8 St Andrews DR	04/05/2022	Johnson, Jeffrey	Plan review for renovation/addition failed. Show electrical plans showing SD/CO locations (we require a SD in gym as well). Is the door separating garage from living space 20-minute fire-rated?
18L310028	St Andrews Dr 8	8 St Andrews DR	04/11/2022	Johnson, Jeffrey	I have the original plan that Ashley put back in my bin. I'm still not clear on the project scope yet it is a very costly project. The plans show a few SD/CO locations, but they certainly are not up to code with locations since the ones that I see are outside of bedrooms rather than inside/outside.
20M520113	Warridge Dr 8	8 Warridge DR	04/12/2022	Johnson, Jeffrey	I am okay with the letter covering the fire-rated door portion. Plan review for new residence failed. Show CO detectors (outside bedrooms and one on each level), show or list fireplace hearth and hearth extensions details, show how IRC 302.13 protection of floors is met in lower level areas with TJI joists.
